

NEW FOR SUMMER 2009

Tribute Rampage Jerry Cantrell Signature Model

G&L Musical Instruments is proud to announce through our partnership with Jerry Cantrell, the Tribute Rampage Jerry Cantrell Signature Model. For over twenty years Jerry Cantrell has been recognized as an artist responsible for defining the sound of a musical generation, through his work in Alice In Chains as well as a solo artist.

Through Jerry's years of musical exploration one element has remained constant: the G&L Rampage. The Tribute Rampage Jerry Cantrell Signature Model incorporates the modifications of Jerry's beloved Rampage instruments, including a recessed Kahler® tremolo and a Floyd Rose® locking nut for tuning stability and flawless performance, shielded pickup and control cavities to minimize RF interference and a Custom Wound Jerry Cantrell humbucker for an extra punch make this instrument the ultimate playing machine.

Experience the G&L Rampage through the eyes of an artistic visionary...The Tribute Rampage Jerry Cantrell Signature Model.
